COMPLEX PROJECTS, CLEAR SOLUTIONS

"THATS THE NORDIC WAY"

Nordic Group, Inc. is a Service-Disabled, Veteran-Owned Small Business (SDVOSB) with an experienced staff of professionals specializing in complete topside and underwater construction. As a General Contractor, we pride ourselves on delivering high-quality services and innovative solutions for challenging projects, always prioritizing the safety of our team. We emphasize seamless coordination with stakeholders and are dedicated to meeting critical budgets and deadlines.

Experienced across a comprehensive range of services, Nordic Group combines excellent workmanship with professional integrity, making us your solution for Building, Civil, and Marine Construction Projects.

OUR PROCESS

Our staff brings years of experience to the Building, Civil, Marine, and Underwater Construction Industry. Every project is overseen by one of our owners, a dedicated primary project manager, and a working supervisor or foreman ensuring the design's successful implementation.

OUR TEAM

Our employees have been hired based on their ability and level of craftsmanship, as well as their fit with Nordic's culture and values. We believe that having our own employees provides us with more immediate control over the direction and nature of the construction process.

OUR PROMISE

Nordic's promise is to ensure outstanding communication, quality, and service from start to finish.
