COMPANY OVERVIEW

Northern Vault GF Inc. is a women-owned, small business specializing in the manufacturing of high-quality precast concrete products. With decades of combined experience, our team is committed to delivering exceptional products and services for state, government, and commercial clients. We take pride in serving our customers with integrity, quality, and excellence in all that we do.

CORE COMPETENCIES

- **Precast Concrete Products:** We manufacture a wide range of precast concrete products including, but not limited to; outer burial containers/burial vaults, Veteran's/Monument pads; electrical, HVAC, irrigation, communication, generator, and signal system transformer/cabinet pads; concrete pads for the solar and oilfield industries as well as, pole bunkers for storage of electrical poles
- **High-Quality Standards:** Our products are designed to meet and exceed industry standards and specifications, ensuring durability and long-lasting performance in all applications.
- **Experienced Team:** Our knowledgeable team has 40+ years of combined experience in the industry, enabling us to provide tailored solutions for complex project needs.
- **Clear Communication:** We prioritize transparent, honest, and effective communication with our clients, ensuring timely project execution and fostering strong partnerships.

ASSOCIATIONS AND MEMBERSHIPS

Association of General Contractors of Minnesota and
Association of Women Contractors.

DIFFERENTIATORS

- **Small Business Advantage:** As a small business, we offer personalized service, flexibility and quick decision making, that larger corporations cannot match. We know our team well and take great care of them, which leads to higher job satisfaction and a commitment to excellence.
- **Customer-Centric Approach:** Our approach is rooted in loyalty, trust, and building lasting relationships. Our clients know they can count on us to deliver.
- **Strong Partnerships:** Our relationship with our customers sets us apart. We have a history of performing up to and beyond their standards.
- **Proven Track Record:** We've completed numerous successful projects, including precast electrical pads for local City Projects, various Solar Farm Projects, and Electrical Cooperatives. We've recently completed a project manufacturing and delivering Pole bunkers for an Electrical Cooperative customer and are currently fulfilling another order for this customer. Our clients have relied on us to manufacture and deliver outer burial containers for funeral homes in both Minnesota and North Dakota for over 70 years.

WHY WE ARE IDEAL FOR THE JOB

We understand the importance of delivering high quality products, with on-time results. Our team's extensive knowledge and experience ensure that every project is handled with the utmost professionalism. Our commitment to loyalty, trust, and integrity has earned us lasting customer relationships, and we pride ourselves on the reputation we have built and maintain within the industry.

We look forward to the opportunity to collaborate on your next project.
