ABOUT COBALT COMPANIES

Cobalt Companies is a trusted partner in infrastructure preservation, specializing in protective coatings and industrial painting. With extensive experience in city, state, and local government projects, we are committed to delivering high-quality solutions tailored to the unique needs of government clients.

CORE COMPETENCIES

- **Protective Coatings:** High-performance, corrosion-resistant solutions tailored to extend the life of critical infrastructure.
- **Industrial and Structural Painting:** Precision coatings for light poles, mast arms, and high mast structures.
- **Surface Preparation:** Advanced remediation methods to ensure optimal adhesion and coating durability.
- **Regulatory Compliance:** Full adherence to OSHA, EPA, and federal safety standards for every project.

DIFFERENTIATORS

- **Procurement Ready:** Registered in SAM.gov with established state and local government experience.
- **Proven Expertise:** Success with high-profile projects requiring precision, compliance, and efficiency.
- **Skilled Workforce:** Highly trained professionals specializing in complex infrastructure needs.

PAST PERFORMANCE

- **Minnesota Department of Transportation:** Delivered high-quality coatings for traffic signals and mast arm infrastructures.
- **Anoka County, MN** Performed comprehensive painting and maintenance of traffic signal structures throughout the county.
- **Ramsey County Parks and Recreation, MN:** Provided surface preparation and protective coatings for municipal facilities.
- **Mesa, AZ:** Customized coatings for streetlight poles to enhanced infrastructure durability and appearance.
- **Glendale, AZ:** Provided surface preparation and protective coatings for streetlight poles.
