Company Overview

Morning Rain is a California-based eco-friendly cleaning brand focused on zero-plastic, biodegradable, and plant-based home-care products. Our signature line includes laundry detergent sheets, washer-only fabric softener sheets, and Swedish dishcloths, all crafted for high performance with safer, more sustainable ingredients. By combining Finland solid bio-enzyme technology, perfumer-developed fragrance, tea tree essential oil preservation, and plastic-free packaging, Morning Rain offers retailers and consumers a cleaner, greener alternative to traditional liquid detergents and conventional cleaning products
