

Hollstadt Overview

Hollstadt Consulting is a certified woman-owned firm headquartered in Minnesota with a reputation for providing superior performance and uncompromising integrity. For more than 30 years, we have focused on providing exceptional staff and teams on IT, engineering and business projects to primarily Fortune 500 firms or larger with a focus on continuous improvement for their IT and business contingent workforce programs. Our consultants leverage their experience, knowledge, and professionalism to add value and get the job done. Over the years, Hollstadt has successfully placed more than 3,000 consultants who have delivered exceptional results and achieved a 98% customer satisfaction rating. On average, Hollstadt employs approximately 125 consultants at various clients with an additional ready bench of over 100 vetted professionals under contract.

Hollstadt's vision is to deliver customized talent solutions built on authentic lasting relationships. We strive to provide our Clients and Consultants the quality of service they expect, the depth of service they deserve...and then push to deliver more. We have mastered the art of delivering high quality talent to solve all our clients' end-to-end project lifecycle, professional services, and agile needs. We also excel at providing custom solution placements based on each client's specific needs. Whether working on a single role, or providing a team solution, we work closely with your leadership team to understand your needs and then deliver results beyond your expectations.

Over the years, Hollstadt's positive ratings from our clients demonstrate our ability to meet our clients' needs with exceptional performance. We've worked on many large initiatives and placed consultants at many different public sectors across the State of Minnesota, including: Departments of the State of Minnesota (Corrections, Human Services, Health, DEED, Education, Public Safety, Revenue and Transportation) and Minnesota State Colleges and Universities as well as various counties including Ramsey County, Hennepin County, Dakota County and Washington County. We also have experience with private educational technology companies. Our performance and strong ratings from these organizations demonstrate our ability to meet our clients' needs.

Hollstadt Consulting regularly appears on the Business Journal's lists such as the "Top 25 Women-Owned Businesses" and the "Top 25 Management Consulting Firms" and is a past recipient of the Minnesota Business Ethics Award. In addition, Hollstadt is a winner of the TechServe Alliance Excellence Award. This award recognizes IT and engineering consulting firms that demonstrate outstanding performance, team productivity and dedication to continuous improvement.
