In order to remain certified under 49 C.F.R. Part 26, you must contact our office if any significant changes occur in your firm. This includes changes in any of the following: address, work areas the firm performs, locations that the work is conducted and ownership of the firm.

Federal regulations require that in order to remain qualified under the DBE Program, the DBE owners must continue to demonstrate majority ownership, control of the firm's day-to-day operations, and direct and ongoing involvement in the firm's management. You must also continue to demonstrate direct involvement in contracts or projects awarded by MNUCP members, and which are subject to the MNUCP DBE Program.

Additionally, on an annual basis you will be required to file a No Change Affidavit, with supporting documentation. The No Change Affidavit indicates whether there are changes regarding the firm's size, gross receipts, ownership, work areas, and that your firm continues to meet the requirements of 49 C.F.R. Part 26 to participate as a member of the DBE Program. It is deemed a failure to cooperate pursuant to 49 C.F.R. Part 26.109(c) if this Affidavit is not submitted in a timely manner or inaccurate information is provided.

Your firm will be listed in the DBE Directory in the work area(s) of work in which you have been certified <http://mnuccp.metc.state.mn.us>. The DBE Directory has a searchable engine to assist contractors looking for subcontractors to work on various projects. The MNUCCP recommends that, as a regular business practice, you contact directly the plan holders of the specific projects you are interested in working on, communicate your interest and include the submission of a bid. A list of plan holders and detailed information concerning projects in the State of Minnesota can be obtained by contacting the specific participating MNUCCP agency on whose projects you are interested in bidding or by visiting their website.

As a certified DBE, you have the following responsibilities:

- Comply with all aspects of 49 C.F.R. Part 26.
- Maintain an accurate mailing address with MNUCCP.
- Maintain a working phone number.
- Promptly return all solicitation calls or inquiries.
