Re: Verification of Veteran Status for the Minnesota Small Business Procurement Program

Dear Mr. McFarlane:

We have received your request for veteran status verification under the Minnesota Department of Administration Veteran Owned Small Business Procurement Program. Our staff at the Minnesota Department of Veterans Affairs (MDVA) have reviewed your request, along with your DD-214.

The MDVA hereby verifies your status as a veteran allowing you to apply for Certification in the Veteran Owned Small Business Procurement Program. Thank you for your service.

Please include a copy of this letter as part of your completed **Minnesota Department of Administration TG/ED/VO Certification Application**, when you submit it to:

Materials Management Division
112 Administration Building
50 Sherburne Avenue
Saint Paul, Minnesota 55155

This verification only applies for the purpose of the Veteran Owned Small Business Procurement Program and does not necessarily qualify you for other veteran benefits. There are different military service requirements for different veteran benefits, both at the State and Federal level and eligibility for one benefit does not guarantee eligibility for others. Please visit <http://mn.gov/mdva/> or contact your County Veterans Services Officer to determine what other veteran benefits you may be eligible for.

Sincerely,

Dennis M. Devereaux
Veterans Preference Officer
