Because each agency in this state is empowered to enter into contracts for professional services, this office does not maintain a central vendor list. Major contracts (estimated value over \$50,000) for consulting, professional/technical, or computer-related services are advertised each Monday in the *State Register* available online at www.mnbookstore.com.

For your information a list of state agencies and contact people who contract for professional services is available on our website at <https://www.mmd.admin.state.mn.us/mn05008.asp>. You may contact them directly to be placed on their solicitation lists.

Our office provides many services to Minnesota businesses to assist them with government procurement, such as understanding certification requirements, keeping vendor information current, locating and responding to opportunities, and much more. Please contact our office at 651.201.2402 or Procurement.Equity@state.mn.us for more information and to schedule an appointment.

You are required to notify this office in writing of any and all changes in your business which could affect your eligibility for this program within thirty days of such change. Please also notify this office of any changes in address, telephone number, product line or services, etc. Your certification is valid until rescinded by this office. You may be asked to verify and update information on file at any time.

You are certified to participate in similar state funded programs at the Minnesota Department of Transportation (highway-construction-related) and several metropolitan agencies. The state certification does not apply to federal funded programs administered by those agencies.

Your company is listed on the state's vendor list. Be sure to keep your supplier information updated by logging into the Supplier Portal at www.mn.gov/supplier. There you will also find a link to Bidding Opportunities, where the state's purchasing opportunities are published.

If you have any questions or need any assistance regarding the Minnesota Small Business Procurement Program, please feel free to contact the Office of Equity in Procurement at 651.201.2402.

Sincerely,
