

AT PROTECTION LLC

CAPABILITY STATEMENT

The company is a WEBNC certified and minority owned importer & distributor of Medical & Safety Disposable Nitrile Examination gloves. The company warehouses and distributes these gloves nationwide from its base in Minnesota. Its principals have 10+ years of experience in the disposable glove business with FDA 510K registrations. The company markets the gloves in its own PURESAFE® and other brands, that meet high quality standards.

With extensive logistics network partners, the company is capable of making palletized/truckload deliveries throughout the United States.
