

NTH CAPABILITY STATEMENT

NTH is a real estate and project management firm helping clients make smart real estate and construction decisions. NTH is a WBENC-certified Women's Business Enterprise (WBE). We provide customized solutions that meet clients' real estate needs and business goals.

Founded 30 years ago, NTH was one of the first companies in Minnesota to exclusively represent the users of real estate in property sales, acquisitions, and leasing. Beyond transactions, NTH leads teams of architects, contractors and other vendors to deliver projects on time and on budget for our clients. Projects range from office remodels to creation of entertainment venues to construction of new headquarters and education facilities.

Our senior-level team is hands on: all clients have access to decades of experience and insights. We have extensive knowledge of the real estate market and offer unmatched, valuable insight into both existing properties and new developments. We speak construction, which keeps our clients informed of the true costs and potential impact of project decisions.
