### Company Overview

We started as 3 Rivers Insulation in 2008 providing insulation to contractors for job sites. In 2011 the company moved diversified and became 3 Rivers Enterprise. 3 Rivers Enterprise Inc. is a minority company based on placing minorities and women in the construction workforce. We are signatories to the Labors, Carpenters, and Plasters Union. We have found a supply and demand need in these areas. We look forward to working in Vertical Buildings, Heavy Highway, and most recently the Pipeline Industry. We have worked with Community Workforce programs to bring employment to community members, and we will continue to strive to meet the needs of the construction Industry. We have worked on job sites such as the Twins Stadium, the US Bank Stadium, the Vikings Training Center, and Target Center.
