Nat

This image shows a screenshot of a web application interface. At the top right, there is a 'CLOSE' button. Below it is a navigation bar containing a hamburger menu icon, a page indicator '1 / 1', and several utility icons (minus, plus, expand, refresh, download, print, and a vertical ellipsis). The main content area is divided into two sections by a vertical line. The left section contains a blue rectangular box highlighting a specific area, with the number '1' centered below it. The right section is mostly empty, with the letters 'Nat' visible in the bottom right corner, likely part of a logo or text.
