

CAPABILITY STATEMENT
2024

Aknew Consulting LLC. is a Minority Owned, Veteran Owned (VOSB) and Service-Disabled-Veteran-Owned-Small-Business (SDVOSB), Disadvantaged Business Enterprise (DBE) certified with the MNUCP, and Central Cert program based in the Minneapolis/St. Paul Metro area, servicing markets nationwide. We offer a unique level of service to clients and an array of capabilities supported by past-experience and successful delivery of projects that meet or exceed Client Satisfaction.

Our experience includes Government, Private, Commercial, Educational, and Recreational sectors. We typically deliver our projects using Design/Build and Bid/Build methods. We self-perform all low voltage work with our project specific OSHA certified IBEW Local 292 Power Limited Technicians.

We have successfully completed projects in the Medical, Office, Hospitality, Military, Correctional, Retail, and Non-Profit market segments. Some of our major clients include: Department of Veterans Affairs (Medical Centers), General Services Administration (GSA), MN Army National Guard, Dept. of the Air Force, Bureau of Indian Affairs (BIA), University of Minnesota (UofM), the City of Minneapolis, the City of St. Paul and many other Fed. agencies.

Aknew Consulting LLC. is certified in Leviton, Superior Essex, Panduit, General, Mohawk, Beldin, AFL, Hubbell Premise, Hitachi, Berk-Tek, Bosch, Hanwha, Honeywell, IC Real Time, Onkyo, Chatsworth, Hoffman, Fluke and several other Low Voltage Manufacturers.

Safety on the jobsite is of the utmost importance to us. We implement a strict safety program and provide OSHA-30 Competent Supervision on all projects and all techs are OSHA 10 Certified.

Aknew Consulting LLC. is an Equal Opportunity Employer and encourages participation from certified Veteran-Owned, Woman-Owned, and Minority-Owned subcontractors and suppliers.
